

RISING STARS KINDERGARTEN Student Attendance Policy 2024-2025

Introduction:

We aim for an environment which enables and encourages all members of the community to reach out for excellence. For our children to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

It is very important therefore that you make sure that your child attends regularly and this Policy sets out how together we will achieve this.

Why Regular Attendance is so important:

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any student's absence disrupts teaching routines so may affect the learning of others in the same class. Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Promoting Regular Attendance:

Helping to create a pattern of regular attendance is everybody's responsibility - parents, pupils and all members of school staff.

To help us all to focus on this we will:

- Promote a culture across the school which identifies the importance of regular and punctual attendance;
- Give you details on attendance in our regular newsletter;

- Report to you termly on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainments;
- Celebrate good attendance by displaying individual and class achievements;
- Reward good or improving attendance through class competitions, certificates and outings/events.
- Run promotional events when parents, pupils and staff can work together on raising attendance levels across the school.
- Further develop positive and consistent communication between home and school
- Make attendance and punctuality a priority for everyone associated with school, including parents, pupils and staff.
- Set targets to improve individual pupil and whole-school attendance.

Understanding types of absence:

Every half day absence from school has to be classified by the school as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required.

Authorized absences are mornings away from school for a good reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorized absences are those which the school does not consider reasonable and for which no 'leave' has been given. This type of absence can lead to meeting then a letter stating our concerns regarding absence.

- Parents/carers keeping children off school unnecessarily
- absences which have never been properly explained
- children who arrive at school after the register has closed
- shopping, looking after other children or birthdays
- day trips and holidays in term time which have not been agreed
- Days that exceed the amount of leave agreed by the Principal

Parents should be aware that the decision whether to authorize an absence or not rests with the school. Hence, if there is any ambiguity relating to an absence, school may request further evidence from parents before an absence may be authorized. This may be in the form of a prescription or appointment card or similar.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If your child is reluctant to attend school it is better to speak to the school to resolve the issue, rather than trying to cover up their absence, or give in to the pressure to let them stay at home. This gives the impression that attendance does not matter and usually makes things worse.

Persistent Absenteeism (PA):

A pupil becomes a 'persistent absentee' when they miss 15% or more of their schooling across the school year for whatever reason. Absence at this level is doing considerable damage to any child's educational prospects and we need parents' fullest support and co-operation to tackle this.

We monitor all absence thoroughly, therefore any pupil whose attendance indicates they are likely to reach the threshold will be given priority consideration, and parents will be informed of this immediately.

Pupils are tracked and monitored carefully through our system and we also combine this with academic mentoring where absence affects attainment. All our PA pupils and their parents are subject to an Action Plan and the plan may

include: allocation of additional support through a Mentor, use of circle time, individual incentive programs, parenting contracts and participation in group activities around raising attendance.

Absence Procedures:

If your child is absent you must:

- Contact us as soon as possible on the first day of absence, either by phone or you can call into school and report to reception

If your child is absent we will:

- Telephone you on the first day of absence if we have not heard from you;
- Invite you in to discuss the situation with our in-school Attendance Lead and/or Principal if absences persist;

Telephone numbers:

There are times when we need to contact parents about lots of things, including absence, so we need to have your contact numbers at all times. So help us to help you and your child by making sure we always have an up to date number – if we don't then something important may be missed. There will be regular checks on telephone numbers throughout the year.

In-School Strategies to Improve Attendance/Punctuality (see appendix):

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. School may consider using the following strategies to help support parents in improving their child's attendance and/or punctuality. This includes:

- Meetings in school between parents, pupils and the Principal
- Parenting contracts;

Lateness:

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons, which can be embarrassing for the child and can in turn, encourage absence.

How we manage lateness:

The school day starts at 7:15am and we expect your child to be in class at that time.

Registers are marked by 7:30am and your child will receive a late mark if they are not in by that time.

At 7:45am the registers will be closed. In accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be on site, but this will

Not count as a present mark and it will mean they have an unauthorized absence.

If your child has a persistent late record you will be asked to meet with the Principal and/or a member of the support team to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

Leave in Term Time:

Taking a child out of school in term time will affect their schooling as much as any other absence and we expect parents to help us by not taking children away in school time.

Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education.

All applications for leave must be made, in advance. Requests will only be authorized if the circumstances surrounding the request are considered to be exceptional.

Full details of our policy and procedures are available from the school, but it is important that you understand that leave in term time will not be agreed by us at any time unless circumstances surrounding the request can be evidenced, by parents, to be exceptional.

In considering the request we will also look at various factors such as:

- The timing of the request:

When a pupil is just starting the school, absences should be avoided as this is a very important transition period as your child needs to settle into their new environment as quickly as possible.

Pupils should not be absent where possible both immediately before and during assessment periods or any other examinations.

- When a pupil's attendance record already includes any level of unauthorized absence.
- Where a pupil's attendance rate is already below (specify level e.g.95%) or will fall to or below that level as a result of taking leave.
- other periods of leave which the pupil may have had, either during the current or previous academic year

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorized.

Governors

- Adopt the whole-school policy and review regularly
- Monitor the consistent implementation of the attendance policy
- Set aspirational targets for improving the school's attendance figures
- Work with the teacher in establishing criteria against which leave requests will be considered. This is important to ensure the process is equitable and consistent

School targets, projects and special initiatives:

The school has targets to improve attendance and your child has an important part to play in meeting these targets.

The minimum level of attendance for this school is ...% attendance and we will keep you updated regularly about progress to this level and how your child's attendance compares.

Our target is to achieve better than this however because we know that good attendance is the key to successful schooling and we believe our pupils can be among the best in the area.

Through the school year we monitor absences and punctuality to show us where improvements need to be made.

Information on any projects or initiatives that will focus on these areas will be provided in newsletter and we ask for your full support.

Summary:

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend. All school staff is committed to working with parents and pupils, as this is the best way to ensure as high a level of attendance as possible.
